

AGENDA

EDUCATION INTERIM COMMITTEE

LEGISLATURE Wednesday, May 17, 2023 | 8:30 a.m. | State Capitol Room 445

Members of the public may participate remotely in the meeting by visiting the committee's webpage to access the live streaming options: <https://le.utah.gov/committee/committee.jsp?year=2023&com=INTEDU>

1. Committee Business

- Call to order
- Approval of the minutes of the November 16, 2022 meeting
- OPMA Training

2. Education Interim Committee 2023 Study Items and Interim Preparation

The committee will review the list of reports required to be submitted the committee, review study items for the 2023 Education Interim Committee meetings, and adopt the study items list.

- Committee staff
- Committee discussion

3. Sunset Review: SafeUT and School Safety Commission

The committee will hear a presentation on this program, review its effectiveness, and recommend action regarding its scheduled sunset on January 1, 2025.

- Utah System of Higher Education staff
- Committee discussion

4. Sunset Review: Technology Initiative Advisory Board

The committee will hear a presentation on this program, review its effectiveness, and recommend action regarding its scheduled sunset on July 1, 2024.

- Utah System of Higher Education staff
- Committee discussion

5. Higher Education: Opportunities for Military Service Members

The committee will hear a presentation on existing programs that support and incentivize higher education opportunities for military service members.

- Department of Veterans and Military Affairs staff
- Committee discussion

6. Higher Education: Concurrent Enrollment

The committee will hear a presentation on the structure, funding, and challenges associated with concurrent enrollment programs.

- Committee staff
- Juab School District representative
- Utah System of Higher Education staff
- Utah State Board of Education staff
- Committee discussion

7. Public Education: Safe School Route Evaluations

The committee will receive a presentation about H.B. 136, Safe School Route Evaluations (2023 General Session). Current law requires each local school board's school traffic safety committee to submit a child access routing plan for each of the district's schools. This bill would have required these plans to include recommendations for infrastructure improvements.

- Representative Ballard
- Committee discussion

8. Adjourn
